Many thanks dear Ehud
Agree with your comment regarding the French. They are so backwards in their approach also.
They will have to suffer some more of those...

Kind regards

Hi Bernard
Hope you & family are OK.
Great tragedy in Paris.
France pays the price. Not for blindness but for being the most daring of the western countries in fighting terror.

Shlomi Ben Haim is medical tech genius.
But I would not recommend partnering or investing with him.
His reputation is of one who cares only about himself.
In this short of perfect times it could be a problem.
Best
Ehud
